

Hi

Re: Stephen Lloyd-Morgan – December Newsletter

Almost every week I seem to say `next week it will be quieter', but it never is! I thought November was going to be a restful month!

Two weeks ago we had two full days of publicity photo-shoots, all courtesy of our good friend Will Zeckai www.remfilm.de Some of the pictures already appearing on the website! (which is in the process of being revamped!)

On 21st November, Steve sang at The Essential Magazine Marbella Awards at the Puente Romano, some photos at www.slmlive.com/essentialawards. It was another fantastic evening! Look out for the next issue of Essential Marbella Magazine!

On Friday 11th December, Steve will be singing live on Talk Radio Europe as part of their Charity Telethon for Cudeca! No idea of time other than PM (maybe)! Please listen in and help support the Telethon.

As 2009 draws to a close, we cannot have been more pleased with the overwhelming response we have had to all the Concerts and Performances this year! I am still shocked by the number of congratulatory texts and emails we received after The Summer Event in August!

In 2010 we already have many things planned, diverse enough we hope to appeal to varying tastes! Details of some of the spring Concerts below!

We are very pleased that `Tres Divos` will once again join the line-up in the `Voces Celestiales` Concerts, and will be joined by other artists from Spain and the UK, plus famous Gibraltarian Tenor Nathan Payas amongst others!

Arran, Nic & Tom (Tres Divos) will also star in the Concert Performance of Les Misérables in April. A fantastic project that we are all very excited about!

We are also trying to persuade `The Lola's Boys`, Paul & Andrew, to take part in some of the proposed events, but this will really depend on if they have the spare time!

From the Christmas Concert onwards we will be outsourcing all the staging, lighting and sound for all Concerts... we feel we have now outgrown our own equipment and want to aim for more spectacular sound and lighting.

Monthly newsletters can also be viewed online at www.slmlive.com/newsletter.

We are often told that people have missed Concerts, simply because they were not aware of them... we therefore need to reassess our publicity next year (even though this year's concerts were sold out). **If you could help spread the word by forwarding this newsletter or the above link to your mailing / contacts list it would be greatly appreciated! Please also note Steve's Facebook Group and Twitter links below! Please join to receive the most up to date news.**

We are now promoting future Concerts in association with Maria Petrak and `The Best of Marbella` - the link to Steve's page is below, but you might also be very interested in reading about `The Success Story of The Best of Marbella`, which can be found at:- <http://thebestofmarbella.blogspot.com/2009/10/success-story-of-best-of-marbella.html>

We always appreciate all your comments, feedback and suggestions, whether about the website, concerts or performances, so please keep emailing them to me...

We would both like to thank everyone for their continued support and look forward to seeing you all next year!

Wishing you a very peaceful Christmas and hoping for a prosperous New Year for all!

Best Regards

Nick & Steve
