Re: Stephen Lloyd-Morgan – April 2010 Newsletter Press Release

March saw the continuation of the “Help Haiti Campaign” and we were delighted and honoured to receive a letter from HM The Queen acknowledging all of our efforts here on The Costa del Sol!

Her Majesty The Queen has sent best wishes for the continued success of the Costa del Sol's fundraising efforts for Haiti. A letter received from Buckingham Palace reads *'Her Majesty was interested to learn that the British expatriate community in the Costa del Sol have raised over €20,000 for the Haiti Earthquake Fund... Her Majesty conveys warm good wishes to you and all concerned'* .- 15th March 2010

'I heartily commend the British community in Costa del Sol for making such a positive effort to help raise funds for the Help Haiti Appeal.' Mr Giles Paxman - HM Ambassador to Spain – 24th March 2010

Antonia Muñoz – Alcaldesa de Manilva (Mayor of Manilva) – “The Prayer for Haiti” – “We are extremely proud and would very much like to convey our congratulations to the producers of the charity single (CD) “The Prayer for Haiti”. Resident British Expatriates from the Municipality of Manilva, Stephen Lloyd-Morgan and Nick Holland, have recorded this single in collaboration with Talk Radio Europe and Essential Marbella Magazine, to help the desperate orphans of Haiti and they hope to raise enough to build a new school. We very much commend their efforts and that of the entire expatriate community who are banding together to raise much needed funds for this worthy cause through the sale of this single(CD).” – 4th March 2010

Jose Luis Hernández – Tourist Minister Marbella Townhall – “The Prayer for Haiti” – “Marbella City Council considers that the expat community is giving us an example of generosity and commitment in view of the magnitude of the devastation suffered by Haiti. Marbella can feel proud because - even in these moments of economic crisis - our society, and particularly our expat community, is giving such an evident proof of commitment with the suffering of human beings that did not have anything before the tragedy and, after it, the only thing they have is pain and hopelessness. We hope your fund raising initiative be as successful as possible. On behalf of Marbella City Council, receive our most sincere thanks and our acknowledgement for your humanitarian work.” – 4th March 2010
